

AVEC'06

As tradition of AVEC, this year should be in Japan, but because FISITA congress was planned to be held in Japan, we asked Taiwan to be the host of symposium.

Venue : Grand Hotel Taipei, TAIWAN

August 20~24, 2006

General Chair: Prof. Che-Wun Hong (National Tsing Hua U.)

Due to few automotive-related makers in Taiwan, Participants from industry decreased. Papers from industry/academia were 28/72.

- Vehicle Dynamics 47 papers
- Intelligent Vehicle Control 42 papers
- Advanced Vehicle Propulsion 38 papers
- Intelligent Driver Assistance & Automotive Electronics 39 papers
