The image shows a screenshot of the PayPal Guest Checkout page. The page features the PayPal logo at the top left and a shopping cart icon with the amount ¥250,000 JPY at the top right. The main heading is "PayPal Guest Checkout" with a subtext "We don't share your financial details with the merchant." Below this, there is a "Country" dropdown menu with "United States" selected, which is circled in red. To the right of the form, there is a graphic of shopping bags and a shield, with the text "PayPal is the safer, easier way to pay" and "No matter where you shop, we keep your financial information secure." Below the country selection, there are fields for "Card number", "Expires", "CSC", "First name", and "Last name". The "Billing address" section includes fields for "Street address", "Apt., ste., bldg.", "City", "State", and "ZIP code", with a checked checkbox for "Ship to my billing address". The "Contact Information" section includes fields for "Phone type" (set to "Mobile"), "Phone number" (starting with "+1"), and "Email". At the bottom of the form, there is a prominent blue "Pay Now" button, which is also circled in red. Red arrows point to the "Country" dropdown, the "Billing address" section, and the "Pay Now" button.
