About Swinburne

Swinburne University of Technology is a world-ranked university leading the way in innovation, industry engagement and social inclusion. Our education, high-quality research and industry partnerships create positive change for students, staff and the community.

At Swinburne, we understand it takes more than just qualifications to compete in today's job market. We equip our students with the knowledge and capabilities they need to establish successful careers through high-quality teaching and work-integrated learning.

World-ranked university

Swinburne is an internationally recognised research-intensive university. In 2019, we ranked 45 in the QS rankings for the world's top universities under the age of 50. This proves the success of our focus on and investment in high-quality teaching and research. It is why we are leaders in science, technology, innovation, business and design.

Nationally accredited English language courses

Swinburne Academy is a member of English Australia. Over 80 per cent of students learning English in Australia choose to study with an English Australia member college. Swinburne Academy is also a member of University English Centres Australia (UECA).

English Classes

Students will study a taste of the English programs at Swinburne. The program will focus on improving students' speaking and communication skills, including enhancing their English vocabulary and learning useful phrases and expressions for daily conversations. This course is interactive and group discussions are a vital part of our learning and teaching.

Academic Lecture and Workshop

This session will introduce students to business etiquettes in different cultural environments, giving them cross-cultural awareness and an understanding of how this affects international business relationships.

Workshop: International Trade

In this session, students will find an interesting product in their country and present to other nationalities. Students will be able to share their ideas and points of views from different cross-cultural perspectives as a global citizen.

Activities

Students will be offered a range of activities during the program, which will complement their learning experience, including:

Discussion session with local students/Buddy meet-up

In this session, international students will be joined by Swinburne local students to discuss selected topics, where they will be able to share their ideas and points of views from different cross-cultural perspectives.

Virtual City Tours/NGV Excursion

In this session, students will visit Melbourne's must-see spots in CBD virtually and learn about some of the most popular tourist destinations in Victoria. Students will also be invited to do a virtual tour of the National Gallery of Victoria where they will participate in a workshop to learn about the Australian history through art. This is a live session. (*Depending on the availability, the program is subject to change.)

Campus Tour & Staff Interview at Swinburne

A Swinburne staff member will also take students to Hawthorn campus tour and talk about student life on-campus.

Virtual Homestay with AHN (Optional)

Virtual homestay is a new authentic way to discover Australia. Students will experience Australian lifestyle and culture while engaging activities that connect Australian families. Students will talk about their daily life at home and can introduce each other's family and cook their favourite dishes together in the kitchen. Both the hosts and the students share the online experience, learn about different cultures, and make new friends. Students can also learn or improve their English and prepare for studying abroad.

**Additional fees will be applied for this activity.*
